Mr. Mark W. Murray
Staff Assistant
Committee on Appropriations
Subcommittee on Foreign Operations
House of Representatives
Washington, D.C. 20515

Dear Mark,

Attached is the information you requested on foreign economic and military assistance to Nicaragua. A word of caution: the data for military assistance are in constant 1986 dollars, whereas the economic assistance figures are in current dollars. The figures, therefore, are not strictly additive, although comparisons for recent years would introduce only minor errors. [redacted]

If we can be of further assistance, please don't hesitate to call. [redacted]
